

JUST DRIVE... And Deliver

Protect Your Ability to Work

You only make money when you and your trucks are on the road. Don't let your business be held up by an insurance problem. Rely on the trucking and commercial auto specialists at Caribou Insurance – a member of the PointeNorth Insurance Group – to keep your business rolling with the coverage and certificates you need quickly to pick up loads, transport them, deliver them and get paid promptly.

Established in 1979, our agents have over a century of combined transportation insurance experience. Count on them to focus quickly and clearly on your specific needs and tailor a policy portfolio that works for you. We are licensed in your state, and we can provide the coverage you need wherever you work or deliver.

We know what's important, and our customer service specialists are on top of your timely needs:

- Certificates can be issued within minutes by accessing our client portal, or by phone, fax or email.
- Filings can be issued on a rush basis, so you can go wherever you need to make your delivery.
- Flexible pay plans can help you save money and improve your cash flow to improve your operating efficiency.

And when you need them, our experienced claims representatives help you expedite your settlement, freeing you to just drive...and deliver.

The Caribou Advantage

- We only write commercial truck insurance and truly understand your needs as a trucker.
- We partner with A.M. Best "A" rated companies for comprehensive coverage at the best possible price.
- We make sure you have the necessary paperwork to avoid undue delays.
